Create your look

Combining colours with an innovative design creates a beautiful and functional kitchen.

Kitchen cupboard doors and panels often cover the largest surface in your kitchen. To give your kitchen distinctive character our **MELAMINE** range offers an extensive variety of colour and decorative finish options, including Texture, Matt, Ashgrain, Finegrain and Sheen.

Add interest and style by mixing options from **polytec's** colour palette with **MELAMINE** surface finishes.

MELAMINE doors and panels are designed to complement **polytec's** product range including new **LAMINATE** bench top

colours. Edging options include a range of 1mm edge tapes, designed to give your doors a sleek and almost seamless look. The durability of our 1mm edge tape ensures your doors will withstand the constant action of a busy kitchen with style.

polytec's MELAMINE doors and panels deliver a quality appearance while retaining the practicality essential for the kitchen environment. **MELAMINE** doors and panels are durable, hygienic and made from low maintenance materials. Cleaning is generally as simple as wiping down the surface with warm, soapy water.

polytec makes it easy to continue your style throughout your home. **MELAMINE** doors and panels can be used in other joinery applications, from TV cabinets to bathroom vanities. Our range will complement and enhance any interior décor and allow the look you choose to flow from one room to another.

Use different finishes to create contrast and flavour. **polytec**'s Finegrain finish offers thin linear embossing while the Ashgrain finish features subtle woodgrain-like embossing. Finegrain is popular as a kitchen accent or highlight. Choose the Matt finish

for a fine textured surface and the Texture finish to achieve a traditional medium textured surface.

polytec are market leaders in the manufacture of glossy surfaces. Our Sheen range combines a smooth stunning finish with a medium level of gloss and an affordable price tag.

Mix and match your **polytec** favourites to introduce modern colours with unique finishes to your kitchen design.

polytec MELAMINE doors and panels come with a 7 year warranty, giving you peace of mind.
